

R- 2

In Drama we will be focusing on characterisation. Students will be involved in exploring voice and movement to re-create characters from popular culture. Students will have opportunities to rehearse and perform their characterisations to a familiar audience.

We will be using picture books and children's movie clips as a basis to create our characterisations.

Year 3/4

In Drama we will be focusing on characterisation. Students will be involved in exploring voice, facial expression and movement to re-create characters from popular culture. Students will create a character monologue independently and a short performance piece, in a group, using their own ideas. Students will have opportunities to rehearse and perform their characterisations to a familiar audience.

We will be producing performance using a variety of ways to communicate our ideas.
