

Hi Everyone,

Welcome back to the start of the 2020 school year. A huge welcome to our new families.

Please ensure that your child has the things listed below daily

- A sun safe hat
- A bottle of water
- Tartan bag for notes

We will be swimming again on Tuesday afternoons from week 3 until week 7 and again Week 9 and 10 at Clovercrest. Please ensure that your child has their bathers, towel and underwear each week.

We value your child and their education so we would appreciate their regular attendance at school. However, if your child is unwell please keep them home to recover as illnesses can spread quickly. If your child needs medication, please let me know. Please don't leave any medication in lunch boxes or bags. Following an absence it is a DECD requirement that you contact the school so that roll books are kept up to date.

If you are late or need to collect your child early, please remember to go to the Front Office first – and the Office will call the classroom.

If you have any queries about your child, please do not hesitate to contact me on 82645166 (school number). I have meetings on Tuesday afternoons and Wednesday mornings but I can be available each other day either before or after school.

Dates for your Diary

Friday 8th November – Pupil Free Day

Tuesday 10th December – School Concert

Friday 13th December – Term 4 ends 2:05pm

I am looking forward to an exciting and successful conclusion to the year with your child.

Lyn Cooper

Term One Learning Areas

Room 7
