

Term 4 Performing Arts Newsletter

Welcome back to term 4 Performing Arts.

Term 4 is a time to consolidate our learning and use the concepts and ideas learnt to create new artworks. Throughout our lessons, we embed our school values and continue to work on our communication and group skills.

Performing Arts Lessons

Dance (Rooms 2, 3, 4 and Pod 3)

In term 4 we will be learning the basics of movement and choreographing our own short dances.

Exploring Sounds (Room 1)

We are continuing making sounds and patterns with instruments. We are also gaining confidence performing for each other.

Stage Directions and Scripts (Room 12)

Last term, students learnt about stage directions. This term, we are finishing off our short scripts and performing them within the class.

Scriptwriting (Pod 2A)

We are continuing with scriptwriting and using the conventions of drama within our performances. Students will get to film using the i-Pads.

Beat and rhythm (Pod 1 and 2B)

We are consolidating our learning of beat and rhythms through a variety of activities. We will also analyse chosen songs using the elements of music.

School Concert

The Concert Committee will be meeting early this term to map out a Covid friendly way of holding the concert this year. We will be guided by the latest health advice and will keep you updated on if it can go ahead or not.

Any questions, please feel free to contact me through the school on 8264 5166 on Mondays and Tuesdays or via email on charlotte.holmes972@schools.sa.edu.au
