

The Arts – Dance and Drama

With Ms Angela Princi

In 2020 The Arts focus will be Dance and Drama. I will be teaching The Arts to students in Rooms 1, 3, 4, 12 and Pod 3. The other year levels will be working with Mikaela.

In The Arts in Term 1 students will be taking part in:

Dance

Students in Rooms 1, 3, 4, 12 and Pod 3 will be participating in the Footsteps dance program, learning dance styles from the 1970s as a lead up to the school's 50th birthday celebrations and creating dance steps using a 70s theme.

Drama

Students in Rooms 1, 3, 4, 12 and Pod 3 will be participating in drama type games to develop confidence in using imagination and creativity.

Students will be learning about how to perform facial expressions to show feelings and miming animal movements and traits.
