

# The Arts in the Creation Station Term 2 2018

with mrs costello

## Upper Primary Program Year 6/7

1. Portfolio Design: completing the creative arts folder design using art skills practiced last term.
2. Script writing/presenting: showing an understanding of different dramatic elements and how you can communicate them in different ways.
3. Performing a play: demonstrating the different design elements they have learned this term to work in a group to perform for an audience.

### Australian Curriculum link:

Students collaborate to devise, interpret and perform drama. They manipulate the elements of drama, narrative and structure to control and communicate meaning. They use performance skills and design elements to shape and focus theatrical effect for an audience.
